

**World-renowned Cancer Specialist to Extend Daily Sessions at Orchard Road Clinic Due To Overwhelming Demand**

**ANNOUNCEMENT**

Singapore, 11 August 2009 – IAG Healthsciences Pte Ltd (“IAG”) today confirm the addition of daily consultation sessions for world-renowned TCM oncologist, Professor Yu Ren Cun, at 290 Orchard Road, #07-11/12, Paragon Medical Suites (Tel. +65 6836-3637), from 18 sessions to 23 sessions with immediate effect.

Since the announcement of his visit on 3 June 2009, Professor Yu’s appointment is fully booked until 18 August 2009 with foreign patients from Malaysia, Indonesia, China, India and the United States accounting for 16% of the appointment booked at the time of this release. Owing to the oversubscription of appointments, foreign patients who did not book any appointments had to wait in queue for hours and even several days in Singapore to secure a slot to consult Prof Yu.

The management hopes that by opening additional sessions that the current congestion will be eased; an additional 50 slots will be available from 13 August through 28 August for foreign patients to consult Prof Yu.

Professor Yu currently heads the Department of Oncology at the world-renowned Beijing Hospital of Traditional Chinese Medicine, and is a specialist in the complementary treatment of tumors. Additionally, he holds the following titles:-

- Honorary Celebrated Physician of TCM by National Bureau of TCM, China
- Vice-chairman of Oncology Committee of Chinese Association of the Integration of Traditional and Western Medicine (CAIM)
- Honorary Chairman of Oncology Society of the Beijing Association of the Integration of Traditional and Western Medicine (BAIM)
- Council Member of Chinese Anti-Cancer Association (CACA)
- Vice-chairman of Beijing Anti-Cancer Association (BACA)

Professor Yu is an honorary advisor to IAG and is famous for his administration of medical care to the head of states and numerous key appointment holders in and outside of the People’s Republic of China.
